Lab 01: A Gentle Introduction to Hadoop

CSC14118 Introduction to Big Data 20KHMT1

your-team-name

2023-02-17

Contents

1 Lab 01: A Gentle Introduction to Hadoop

1.1 Setting up Single-node Hadoop Cluster

1.2 Introduction to MapReduce

1.3 Running a warm-up problem: Word Count

1.4 Bonus

Insert table example:

Server IP Address	Ports Open
192.168.1.1	**TCP**: 21,22,25,80,443
192.168.1.2	**TCP**: 22,55,90,8080,80
192.168.1.3	**TCP**: 1433,3389 **UDP**: 1434,161

Code example:

```python
print("Hello")
```

```
cat ~/.bashrc
```

References examples:

Some text in which I cite an author.[1]

More text. Another citation.[2]

What is this? Yet *another* citation?[3]
